Freelance with 8billionideas

High-energy, motivational facilitators for schools

Bursting with energy and love motivating young people? Want the freedom to work your way? Join our freelance pool.

At 8billionideas, we're a global education company on a mission to give every young person the skills and belief to change the world. We've partnered with more than 350 schools and reached over half a million students – through curricula, camps, workshops and enrichment programmes.

As we grow, we're always looking for high-energy, motivational freelancers to bring our programmes to life. We recruit all year round, so whenever you're reading this, we'd love to hear from you.

Who we're looking for

01 **Freelance Facilitators**
Delivering high-energy sessions in schools across the UAE

How to join
Email your CV to **recruitment@8billionideas.com** with **"Freelance Facilitator"** in the subject line.

Tell us a little about yourself, the age groups you love working with and your general availability. We review applications on a rolling basis and will get in touch when a project matches your skills.

8billionideas is committed to safeguarding and promoting the welfare of children and young people. All freelancers working with young people will be subject to safer recruitment checks, including references and an enhanced background check.

SCHOOLS ACROSS THE UAE

Freelance Facilitators

Our facilitators are the heart of what we do. You'll be the spark in the room – leading fun, high-energy sessions that fire students up and build creativity, confidence and real-world skills, in schools across the UAE. You'll:

- Deliver workshops and enrichment programmes in schools
- Bring our award-winning Critical Curriculum to life with your own energy and ideas

This is for you if you are

- **High energy** – you bring buzz and momentum to every session, from the first minute to the last
- **A born motivator** – you turn "I can't" into "I did it" and get the best out of every young person
- **Inspiring to be around** – your enthusiasm is contagious, in every classroom you walk into
- **Great with young people** – you know how to make every student feel included and capable
- **Reliable and flexible** – you turn up prepared, adapt on the day and keep things running smoothly

What you'll bring

- Experience teaching, facilitating, coaching or working with young people
- Confident, clear communication and a positive, can-do attitude
- Strong organisation and the ability to follow a session plan while thinking on your feet
- Based in the UAE and able to travel to schools
- The right to work as a freelancer in your location

Big bonus points for

- A teaching qualification (QTS, PGCE or equivalent)
- Experience running workshops or enrichment programmes in schools
- Arabic or Mandarin language skills

What we offer

- Flexible, project-based work that fits around your other commitments
- Competitive session and day rates
- Training and full session materials, so you're ready to go
- The chance to be part of a global mission and see your impact first-hand
